EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Stephen T. Boughner on February 10, 2005.

The application has been amended as follows:

In claim 12, line 12, delete "determines a heat source", and insert --selectively determines at least one of the two heat sources--

In claim 15, line 8, delete "using a heater", and insert --selectively using at least one of the plane heater and the induction heater--

REASON FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance: allowance of claims 3-9, 12-13, and 15-29 is indicated because the prior art of record does not show or suggest a heat resistant glass plate to allow the cooking container to be seated thereon, wherein the plane and induction heaters are mounted below the air discharge duct as recited in claims 3-9; a controller to control operations of heating and cooking the food by operating one or both of the two heat sources according to an operation mode, wherein the controller selectively determines at least one of the two heat source as recited in claims 12-13; the combination step of heating and cooking food in a cooking container by operating one or both of the two heaters according to the set
